DEFINITIONS OF CLASSES

1. **HEELWORK TO MUSIC** – The principle element of the Heelwork to Music category will be a dog working off lead in the heelwork position, on the left or right side of the handler, facing forward or backward, across the front or back of the handler, moving in any direction, at any pace. The dog's shoulder should be approximately level with, and reasonably close to the handler's leg. All other positions are defined as Freestyle. A minimum of two thirds of the routine should consist of heelwork.

2. **FREESTYLE** – A Freestyle routine will be the dog working off lead and contain movements in any position. Heelwork as described above is acceptable although such movements must not exceed one third of the routine.

5. Official Classes. For one dog and one handler only. When assessing eligibility to enter a competition, wins in one official category will not count for the other official category. At the discretion of the competition organizers dogs may be entered in eligible classes in both categories, however a different routine must be worked.
6. A dog cannot be entered in the same class more than once.
7. A dog must only be entered in a class for which it is eligible in each category.
8. In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering any class.

Separate awards should be indicated for Heelwork to Music and Freestyle as follows: HTM St., HTM Nov., HTM I., for different classes of Heelwork to Music. FS St., FS Nov., FS I., for the different classes in Freestyle. Once a dog has gained 24 points in Advanced classes it will be entitled to have HTM A or FS A after its name as appropriate.

WARNING: If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under the Kennel Club Rules and Regulations.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help you through the do's and don'ts traveling to and whilst at KC licensed events.

When traveling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave early to avoid increased time in traffic jams.

If your vehicle is not air conditioned seriously consider whether traveling to the show is a good idea at all.

The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

Ensure your dog is not sitting in full sunlight. There should be plenty of air flowing around the dog.

When at the show, never leave your dog in the vehicle.

Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

Avoid your dog taking part in unnecessary exertion or standing in exposed sunlight for extended periods of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
