DEFINITIONS OF CLASSES

(See also Young Kennel Club insert)

Heelwork to Music – (Official Category) The principal element of the Heelwork to Music category will be the dog working off lead in the heel work position, on the left or right hand side of the handler, facing forward or backward, across the front or back of the handler, moving in any direction, at any pace. The dog's shoulder should be approximately level with, and reasonably close to, the handler's leg. All other positions are defined as Freestyle. A minimum of two thirds of the routine should consist of heelwork.

Freestyle – (Official Category) A Freestyle routine will consist of the dog working off lead and contain movements in any position. Heelwork as described above is acceptable although such movements must not exceed one third of the routine.

OFFICIAL CLASSES

For one dog and one handler only. When assessing eligibility to enter a competition, wins in one official category will not count for the other official category. At the discretion of the competition organizers, dogs may be entered in eligible classes in both categories. However a different routine must be worked.

In the following definitions of classes a First Prize win is one gained in official classes only.

Qualifications obtained prior to 1 July 2002 - Handlers who have entered demonstrations prior to 1 July 2002 and have previously been accepted into classes higher than Starters must enter licensed competitions at the level and in the category for which they have previously qualified. Thereafter, once a qualification for class advancement is achieved further entries must be made in accordance with these Regulations.

Handlers who have entered competitions between 1st July 2002 and 31st December 2006 and have previously been working in classes higher than Starters must enter licensed competitions at the level and in the category for which they previously qualified.

A dog must only be entered in a class for which it is eligible in each category.

Definition of Classes

The following class definitions apply to Heelwork to Music and Freestyle Kennel Club official classes. In the following definitions of classes all points must be gained in Kennel Club official classes.

The following points will be awarded in all Kennel Club standard classes:

First Place -10 points; Second Place -6 points; Third Place 4 Points and Fourth Place -2 Points

On entrance to the next level of classes, the points will return to zero.

It is the handlers responsibility to a keep full and accurate account of the points their dogs are awarded

If the average mark in any one section of the judge's criteria is below 40% the class points will be withheld. The prizes for that class will still be awarded appropriately but the prize cards will be stamped with "points withheld".

The following definitions apply to both Heelwork to Music and Freestyle Classes.

a. **Starters.** For dogs and handlers which have not gained 14 points or more in official Starters classes at Kennel Club Licensed Heelwork to Music competitions.

b. **Novice.** Open to dogs or handlers, which have gained 14 points or more in official Starters classes at Kennel Club licensed Heelwork to Music competitions.

c. **Intermediate.** Open to dogs which have gained 16 points or more in official Novice classes at Kennel Club licensed Heelwork to Music competitions.

d. **Advanced.** Open to dogs which have gained 20 points or more in official Intermediate classes at Kennel Club licensed Heelwork to Music competitions.

In estimating the number of awards won, all wins up to and including the seventh day before the closing date of entries shall be counted when entering any class.

Once a dog has progressed to the next class it is entitled to use the previous class award after its name on entry forms and printed in catalogues. Only the highest award may be used. Separate awards should be indicated for Heelwork to Music and Freestyle as follows: HTM St., HTM N., HTM I. for different classes of Heelwork to Music. FS St., FS N., FS I, for the different classes in Freestyle. Once a dog has gained 24 points in Advanced classes it will be entitled to have HTM.A or FS.A after its name as appropriate.

Excellent Qualifications. If a first place has been won at a particular level, when the required level of points have been gained the dog will also be awarded an excellent qualification and can use the title "Ex" after its class title, such as : HTM St Ex

All dogs must be in possession of a Kennel Club Heelwork To Music Record book detailing the points gained and where each award was gained.
