

Important Additional Covid-19 Show Information

Please Read this Information sheet AND the rest the Schedule very carefully

Whilst the Paws N Music Association are very excited to be resuming their shows we are mindful that we are not out of the woods just yet regarding Covid-19, therefore additional precautions have been put into place which would not normally be necessary but then these are still not quite normal times. These are necessary for your own safety and those of your fellow Heelwork to Music colleagues.

The Association will ensure to the best of its ability that the event is run to Covid Safe guidelines. It is your responsibility to ensure you comply with national and local restrictions including advice given about non-essential travel in and out of locally affected regions (which must not be ignored) – in the interests of the safety of all participants this may give rise to a short notice refusal of entry at the society's discretion. The Kennel Club will respect the society's exercise of its discretion.

TRAVEL TO THE SHOW

If a competitor, or anyone in their household/ anyone they have direct and regular close contact with, has Covid-19 related symptoms or has tested positive for Covid-19 they must isolate in line with Government advice - www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/ The competitor must not attend the event

MUSIC SUBMISSION ON ENTRY

You must submit your music WITH your entry/ies. This is to reduce handling of music on the day/s of the competition and possible transmission of Covid 19 variants or any other viruses. Do not place all of your music onto one CD if you are entering multiple classes. Please submit one CD per class that you enter with the appropriate music for that class on that CD. Music cannot be changed after the closing date or on the day of the show. Please carefully package your CD's with your entry forms and entry fees. If you do not follow these instructions the Paws N Music Association reserve the right to charge you £5 per CD that is incorrect to cover telephone, time and CD costs. So to reiterate, please attach to each of your entries ONE clearly marked CD containing the music for that entry.

ENTRY TO THE VENUE

Forest Oak Farm is deemed a Covid-19 secure venue but in accordance with Government Guidelines and regulations at that time, numbers into the venue may be restricted. If this is the situation each classes will be given a start time and the number of people closely monitored entering and exiting the venue to ensure the show runs smoothly.

To avoid transmission of the virus and any variants ring stewards will not be provided to help you handle your dog or your props. You may however, bring with you one "ring buddy" such as a friend or family member to assist you into or out of the ring or alternatively you may wish to review if you need props at all for your routine.

Whilst this venue is famous for its food, unfortunately the service will be limited to maintain the highest levels of protection to our attendees. They will only be providing for sale hot and cold drinks and packaged snacks such as chocolate, crisps etc. Therefore please bring your own lunches on this occasion.

HEALTH AND SAFETY

Further guidance will be provided in the running orders to ensure the smooth running of the show and in order to meet current government guidance and regulations. In all instances attendees will be expected to abide by social distancing measures and take appropriate hygiene precautions, such as hand sanitisation and mask wearing.

THANK FOR YOUR UNDERSTANDING AND CO-OPERATION – WE LOOK FORWARD TO SEEING YOU ALL AGAIN SOON!

DEFINITIONS OF CLASSES

Heelwork to Music – The principal element of the Heelwork to Music category will be a dog working off lead in the heelwork position, on the left or right hand side of the handler, facing forward or backward; across the front or back of the handler; moving in any direction, at any pace. The dog's shoulder should be approximately level with, and reasonably close to, the handler's leg. All other positions are defined as Freestyle. A minimum of two thirds of the routine should consist of heelwork.

Musical Dressage – (Additional Class) Movements of the dog will show a continuous natural rhythmic movement reflecting the timing of the music. It may be at more than one gait, i.e. walk, trot or canter and in any direction provided a balanced and continuous rhythm is maintained throughout each element, and elements are smoothly linked. Dressage moves should be performed off lead in both heel and free positions.

Freestyle – A Freestyle routine will be the dog working off lead and contain movements in any position. Heelwork as described above is acceptable although such movements must not exceed one third of the routine.

Dances with Dogs – (Additional Class) This routine must be recognisable as dancing on the part of the handler. The dog will carry out moves from heelwork, dressage, freestyle or a combination, in a range of positions. All movement for both partners should be appropriate for the music and chosen dance style. In this division the movement of the handler is as important as that of the dog and will be marked accordingly 50/50.

OFFICIAL CLASSES

In the following definitions of classes all points must be gained in official classes only. To count towards class progression a first place in Starters or Novice, or two first places in Intermediate, must have been won with an overall score of at least 60% (18 marks). The same point system will apply to qualify out of PnM additional class levels:

First Place - 10 points; Second Place - 6 points;

Third Place - 4 Points; Fourth Place - 2 Points

On entrance to the next level of classes, the points will return to zero.

It is the handler's responsibility to keep full and accurate account of the points their dogs are awarded.

All competitors must be in possession of a Kennel Club Heelwork To Music Record book for each competing dog detailing the points gained and where each award was gained.

For one dog and one handler only. When assessing eligibility to enter a competition, wins in one official category will not count for the other official category (see definitions above). Dogs may be entered in eligible classes in more than one category, however a different routine must be worked.

Additional classes may be scheduled but only in conjunction with official classes.

The following definitions apply to Heelwork to Music, Freestyle Classes, and Paws N Music additional

classes as applicable;

a. Starters. Neither the dog nor the handler must have gained 14 points or more including a win, nor have elected to progress on points (20 point or more) in official Starters classes at Kennel Club Licensed Heelwork to Music competitions. Dogs or Handlers must progress to Novice once 14 points or more including a win have been gained in starters' classes but may, at the handles discretion, elect to progress on 20 points without a win. NB Handlers and dogs previously qualified out of Starters are not eligible for this class.

b. Novice. The Dog or Handler must have gained 14 points or more including a win, or have elected to progress on 20 points or more in official Starters classes at Kennel Club licensed Heelwork to Music competitions. The Dog must progress to Intermediate once 16 points or more including a win, or a total of 28 points or more have been gained in Novice classes.

c. Intermediate. The Dog must have gained 16 points or more including a win, or a total of 28 points or more in official Novice classes at Kennel Club licensed Heelwork to Music competitions. The Dog must progress to Advanced once at least two first places, have been gained in Intermediate classes.

d. Advanced. The dog must have gained at least two first places in official Intermediate classes at Kennel Club licensed Heelwork to Music competitions.

In estimating the number of awards won, all wins up to and including the seventh day before the closing date of entries, Thursday 19th August 2021, shall be counted when entering any class.

A dog must only be entered in a class per day for which it is eligible in each category. A dog is only eligible for one level.

HTM Competitions must include the organiser's choice of official categories and classes, which must be specified in the Schedule.

Once a dog has progressed to the next class it is entitled to use the previous class award after its name on entry forms and in catalogues/programmes. Only the highest award may be used. Separate awards should be indicated for Heelwork to Music and Freestyle as follows: HTM St., HTM N., HTM I. for different classes of Heelwork to Music. FS St., FS N., FS I, for the different classes in Freestyle. Once a dog has gained 24 points in Advanced classes it will be entitled to have HTM.A or FS.A after its name as appropriate.

Excellent Qualifications. If a first place has been won in starters or novice, or two first places at intermediate or advanced, when the required level of points have been gained the dog will also be awarded an excellent qualification and can use the title "Ex" after its class title, such as: HTM St Ex.

Wins, places and points gained in special classes will not count towards class progression or excellent qualifications.

Rosettes will be awarded for 1st to 8th place. Prize cards will be given 1st-4th place and a trophy for first place winners in all classes.

JUDGING

Judges at Kennel Club licensed HTM competitions are expected to maintain and abide by the highest standards in accordance with Kennel Club Rules and Regulations and appropriate Codes of Best Practice as published from time to time.

Judges' discretion prevails and Judges' decisions are final. No competitor shall impugn the decision of the judge or judges.

Organisers of HTM Competitions must ensure that those invited to judge are competent to fulfil their engagement taking into account the nature of the competition.

In the event of the handler physically disciplining the dog in the ring the Lead Judge must eliminate the dog from further competition in that class.

The Judge(s) must observe the dog at all times whilst it is in the ring, even after elimination from competition.

In the event of dogs obtaining equality of marks in Heelwork to Music or Musical Dressage competitions, the Accuracy and Execution of Movement mark will decide the result. In Freestyle or Dances with Dogs competitions, the Musical Interpretation mark will decide the result.

Where there is still equality of marks the order shall be decided at the discretion of the Lead (head) Judge.

If the overall score of the judge's criteria is below 60% (18 marks) the class points will be withheld for that routine. There shall be at least four awards on offer in every class and printed award cards and rosettes may be given but the associated points would be withheld.

The dog should work in a willing and natural manner. Excessive noise and barking will be penalised and a maximum of 4 marks can be deducted from the overall score at the Judge's discretion.

Dogs will be disqualified if proved to have been handled in the class by a scheduled judge's spouse or immediate family, or resident at the same address as a scheduled Judge. This shall not apply to a judge appointed in an emergency.

Any unnecessary physical assistance must be penalised with points deducted from Accuracy and Execution of the Movement section.

Any activity that may be injurious to the dog or is not permitted by virtue of regulation L.11.j will result in immediate elimination from the ring.

Should a Judge be unable to fulfil their appointment the organiser reserves the right to appoint an alternative Judge.

Should circumstances so dictate the organiser, in consultation with the judges, may alter arrangements as necessary. Such changes will be reported to the Kennel Club.

There must be at least two judges in all Kennel Club classes apart from Crufts Semi-Final Qualifiers (where there should be three) and in exceptional circumstances, whereby the Society should notify the Kennel Club as soon as possible.
