ELIGIBILITY AND SCHEDULE OF CLASSES

Heelwork to Music – The principal element of the Heelwork to Music category will be a dog working off lead in the heelwork position, on the left or right hand side of the handler, facing forward or backward; across the front or back of the handler; moving in any direction, at any pace. The dog's shoulder should be approximately level with, and reasonably close to, the handler's leg. All other positions are defined as Freestyle. A minimum of two thirds of the routine should consist of heelwork.

Freestyle – A Freestyle routine will be the dog working off lead and contain movements in any position. Heelwork as described above is acceptable although such movements must not exceed one third of the routine.

Dances with Dogs – (Additional Class) This routine must be recognisable as dancing on the part of the handler. The dog will carry out moves from heelwork, dressage, freestyle or a combination, in a range of positions. All movement for both partners should be appropriate for the music and chosen dance style. In this division the movement of the handler is as important as that of the dog and will be marked accordingly 50/50.

Musical Dressage – (Additional Class) Movements of the dog will show a continuous natural rhythmic movement reflecting the timing of the music. It may be at more than one gait, i.e. walk, trot or canter and in any direction provided a balanced and continuous rhythm is maintained throughout each element, and elements are smoothly linked. Dressage moves should be performed off lead in both heel and free positions.

Fusion Class – (Additional Class). This class is a fusion of 50% heelwork and 50% freestyle put together to form one routine. The handler cannot favour one over the other (i.e., more heelwork than freestyle nor vice versa) it has to be 50:50; furthermore both styles must be woven into each other; so routines such as just heelwork in the first half the routine followed by just freestyle in the second half will not be accepted.

1. In the following definitions of classes all points must be gained in official classes only. To count towards class progression, a first place in Starters or Novice, or two first places in Intermediate, must have been won with an overall score of at least 60% (18 marks).
